From the Pastor's Desk...

Today is the Fifth Sunday in Ordinary Time. The final chapters of Isaiah (56-66) were likely addressed to Jews recently returned from exile in Babylon. A prophet, often referred to as Third Isaiah, wrote to them in the spirit of Isaiah, who had prophesied before the exile. Now that they are back in the land God had given them, this later prophet urges them to be faithful to the covenant by obeying all that God commanded, both religious and social practices. They seem to observe religious rituals such as fasting, donning sackcloth and lying down in ashes, but the prophet focuses on their obligation to care for one another. Today's reading following his warning that pious acts are empty of meaning if they are disconnected from deeds of compassion. He tells them, in fact, that feeding, sheltering and clothing those in need are the kinds of fasting the Lord desires. When people demonstrate such care, God's saving actions will follow. Light will break forth, wounds will be healed, there will be vindication and glory, answers to pleas, and removing of oppression.

Early in his first letter to the Corinthians, Paul explains how his proclamation of the mystery of God contrasts dramatically with the so-called wisdom of Greek orators. Orators were known for their eloquence and human wisdom. On the other hand, Paul presents himself as coming in weakness, fear and trembling. By downplaying himself, Paul focuses on the message and not the messenger. Paul himself is weak, but the message is powerful and a manifestation of God's Spirit. Yet even the message of Christ crucified seems devoid of wisdom. How could a crucified Messiah be a manifestation of power. Paul shows forth the power of God in humility, weakness and apparent scandal. By unfolding the mystery of Christ crucified, Paul is showing the stark contrast between divine and human wisdom. He wants them not to base their faith on cleverness but on the power of God.

Today's gospel is part of the Sermon on the Mount and follows the listing of beatitudes. He uses two images: salt and light. The first image,

From the Pastor's Desk continued...

presents Jesus' disciples as providing flavor and preservation for the community. Without salt, food will lose its taste and become spoiled. The second image is light, another multifaceted symbol. It evokes divine creative power that guides the footsteps of God's people, enlightens their minds and gives them comfort and warmth. Neither hiding nor fearful, the disciples radiate this light for the benefit of others.

Our week of the Overflow Homeless Shelter is now finished, and I'm particularly grateful to Angie Kontur for her leadership of several years with this project. We find that more and more, we are dealing not only with homeless people but with people who have serious mental illness and are not only unable to care for themselves, but can become violent or act out other strange behavior. Last year, we had to call the police almost every night. This year, we hired security people to be here every night from 7 PM when the people arrive until 7 AM the next morning when they leave. We and other churches are evaluating our ability to continue to do this work, because our volunteers are not trained to deal with the mentally ill and it is becoming more and more a serious problem. We can't expect our volunteers to have to break up fights, clean up the mess if someone comes to the shelter drunk and gets sick, etc. Angie and other chairs met and they have decided to continue hosting the shelter. The added security and checking all of the bags and luggage that come in every night have made a huge difference. Thanks again for your support of this worthwhile project.

One of the largest parishes in our diocese announced recently that everyone on the staff is taking a 20% cut in pay because revenue is down so dramatically. I am very fortunate here at St. Patrick's with your generosity in supporting the parish.

During 2019, 67,583 people formally left the church in Austria. Because people indicate on their income tax which denomination they wish to share a percentage of their taxes, it is easier to track how many are leaving or staying in the church. Also, the number of priests is dropping dramatically. In 2017, there were 1,920 priests for 4.98 million Catholics. By 2018, that number has declined to 1,814. The report also noted the dramatic rise in the average age of a priest in the country.

We are insulating the attic of the rectory and I've never been up there so decided to walk up there. I was completely blown away. You could build a house inside that attic. In the middle it is 18 feet high, there is an absolutely enormous room with little side rooms going off of it. I had no idea all of that was up there. You can't imagine how much insulation it is taking to complete the work!

The annual Catholic Services Appeal gets underway shortly. This is the largest fundraiser for the diocese and funds Catholic Charities, St. Martin's Center, the Priests' Retirement Home, etc. Each parish, as you know, is assessed a set amount which we are required to pay. Any money raised beyond that remains in the parish. Our assessment again increased this year from \$87,000 to over \$94,000. That is simply because our income increases each year while most other parishes are seeing a decrease. Each parishioner will receive a letter from me shortly asking if you can participate in this appeal. All I ask is that you discuss it among yourselves and do what you can do. Some can make a pledge; some can make a very generous pledge; others can't give anything. That is perfectly fine. All I ask is that we try to do what we can. Last year we raised over \$119,400 which left us a nice amount for the parish. Our goal this year is \$120,000, which, if achieved, would give the parish over \$25,000.

I'm happy to tell you that of the more than \$119,400 that was pledged last year, we are only \$400 short. That's an incredible figure. Thank you for your support.

We have been talking about replacing the baseboard heating on the first floor of the rectory. About 50 years ago, they removed all the radiators and replaced them with baseboard heating, and it simply isn't doing the job. The first floor is cold. We looked at replacing the radiators, but find that is impossible, so we're going to put in new baseboard heating and that should be able to do the trick.

The second grade religion class was studying the Book of Proverbs. To illustrate what proverbs are, Sister collected the first phrase of a bunch of traditional ones and asked the children to creatively complete them. Here are some results: "Better to be safe than - punch a fifth grader."....."Strike while - the bug is close."....."Don't bite the hand - that looks dirty."....."A penny saved—is not very much."....."Children should be seen and not—spanked or grounded."

A Family Perspective—

Today's gospel challenges us to be a "light" to our community. Parents shine their own guiding light by their actions, inviting their children to follow the light of their "good deeds."

222 DAYS TO THE 2020 ERIE IRISH FESTIVAL

**A CALL TO ARMS (AND LEGS, HANDS,
MINDS, ETC.)**

**FESTIVAL CHAIR MEETING, AFTER MASS,
SUNDAY, FEBRUARY 23.**

All festival chairpersons are requested to attend. We will wrap up 2019 and firm up plans for 2020. Please bring with you a list of what worked for you in 2019 and what we can do to make it better for you in 2020. We will also discuss the new Festival Storage Building and your storage needs. In the food pantry room behind the church.

WANTED: A FEW GOOD CHAIRS.

We're looking to fill a few festival chair slots. You can be an understudy this year and take over in 2021. Need a chair person to organize the set-up, one to organize the decorations, one to organize the cleaning crews, one to organize the tear down. We will mentor you, support you, and thank you. Let me know if you are interested in joining the best festival team in Erie (or anywhere else for that matter). Or show up at the festival chair meeting on February 23—no commitment, no salesman will call, just dip your toes in the water.

At the 2019 Festival Becky and I had the fun of sitting in the Sports Tent with Dave and Sue Taccone for a few minutes over a cold one. Dave had just retired from years of chairing the beer booths and Sue from just as many running the dessert bar. "You know," Dave said, "we've never been able to just sit and enjoy the festival before. This is really great." Sue agreed. So, if you volunteer to take over a chairperson's slot, you'll have the added satisfaction of giving one of our long-serving, hard-working chairs a chance to sit, relax, and finally just enjoy our fantastic Festival.

THEY'RE BA-ACK!

We have just confirmed the ***Screaming Orphans*** will return for an extra special end of Festival set on Sunday, September 20. And, in addition to the return of the hottest Irish band in the world, we are stacking this year's entertainment with top quality bands from Ireland and around the USA like never before. We knocked your socks off in the past, hold onto your drawers this year!

Gary Johnson, 2020 Festival Co-Chair. Email me with questions, suggestions, or if you are interested in joining the team. gjohnson@brotolocsouth.com

LENTEN PRACTICES 2020

The season of Lent begins this year on Ash Wednesday, February 26, 2020, and concludes when the Paschal Triduum of the Passion, Death, and Resurrection of the Lord begins at the start of the Evening Mass of the Lord's Supper on Holy Thursday evening, April 9, 2020.

The following practices and regulations are promulgated and binding for all Latin Rite Catholics in the Diocese of Erie for Lent and the Paschal Triduum, 2020. Eastern Rite Catholics who may be attending Latin Rite parishes have their own proper regulations and should consult their own eparchy or parish.

1. Traditional Lenten practices of **PRAYER, FASTING, and ALMSGIVING**, and other forms of self-denial, are recommended most warmly by the Church. Daily Mass is particularly encouraged.
2. **ASH WEDNESDAY, ALL FRIDAYS IN LENT, and GOOD FRIDAY** are days of **abstinence** from eating meat for those 14 years of age and older.
3. **ASH WEDNESDAY AND GOOD FRIDAY** are also days of **fasting** for those ages 18 to 58 inclusive. *(On these days, those bound by the law of fasting may take one full meal. Two smaller meals, sufficient to maintain strength according to one's needs, are also permitted. Eating between meals is not permitted, but liquids including milk and fruit juices are allowed. When health or work is seriously affected, the law does not oblige.)*
