### *From the Pastor's Desk.....*

Today is the Thirty-First Sunday in Ordinary Time. Our reading from Wisdom sets the stage for Zacchaeus, whose conversion in today's gospel seems instantaneous, but more likely occurred little by little as we hear in this reading. These words are not the words of a theologian, but more like a mother looking at the marvel of the child she has birthed and of a father overwhelmed by his love even for an errant or rebellious child. It is the final sentence which describes the ideal parent or teacher who, motivated by love, never ceases coaxing children to repentance by inviting them "little by little" to face the sins that dull their senses and keep them from experiencing the fullness of God's love.

Two long sentences comprise this short reading and they don't seem to have much connection. The first is both the assurance of prayers and a prayer in itself while the second, a no-nonsense instruction about not being misled by false teaching. Paul established many of these Christian communities, such as Thessalonica, and he seeks to sustain them through constant prayer. A letter, forged to have been written by Paul, has been circulating that claims the end times are already upon them. This news has shaken them and caused great unrest. Paul intends to protect them from this lie.

This familiar story about Zacchaeus rests on his having climbed the tree to get a better view. Because of his short stature, we're told he couldn't see Jesus, but now up in the tree he has a clear view. By the time Jesus invites himself into his home, Zacchaeus has made his decision about this teacher, and he wastes no time responding to Jesus' request to give him a place to rest. But Zacchaeus' joy soon becomes the town's gossip because Jesus doesn't know his reputation. And then there is the miracle as he offers restitution

for all his thieving. We get the sense that Zacchaeus was moved "little by little" in a journey that had started long before, one strong enough to compel him to climb the tree and encounter Jesus. Once again, there is a connection with the first reading and the gospel.

Tuesday, November 1, is the Feast of All Saints, a holyday of obligation in the northeast United States. We will have a Mass at St. Patrick's at 12:05 PM. Wednesday, November 2, is the Feast of All Souls, not a holyday but a day when we particularly remember those who have died. An earlier bulletin had a form for you to complete listing the names of any deceased whom you want remembered in Masses during the month. Those lists will be on the altar for every Mass celebrated during November.

As part of the Pastoral Planning process, I have to complete an inventory for both St. Patrick's and St. Hedwig's outlining every full-time position, job description, salary, etc. While there are no full-time positions at St. Hedwig's, we have a full-time office manager and full-time custodian at St. Patrick's. In addition, we have a part-time finance manager, part-time maintenance and a woman in one day a week for laundry. A cleaning service comes every two weeks to clean the rectory.

Now that the reconfiguration of parishes has been announced, the new clergy assignments will be announced in December and January. The canonical decrees effecting parishes will go into effect on February 13, 2017. Next in the process will be a series of meetings beginning in the spring of 2017 aimed at Faith Formation initiatives. Finally, in late 2017 and early 2018, the changes in the organizational structure of the diocese, redesigned to meet the changed needs of the pastoral plan, will be announced and then put into effect.

*From the Pastor's Desk continued.....*

An additional set of forms I have to complete is one which lists a complete inventory of the property, equipment, furnishings, etc. of both parishes. I have to complete the personnel and inventory forms before December. That will include a video of the contents of all buildings at both parishes. All of the records for St. Hedwig's Parish, which are now at St. Patrick's, will be transferred to St. Stanislaus in February. St. Stanislaus will now be partnered with Holy Trinity Parish which means there will be Mass celebrated in both churches but there will be only one pastor and one office location and staff.

While it appears that we are now completing this pastoral planning process, in reality we are just beginning. It will have to be an ongoing process as parishes are evaluated for their viability as well as there being ordained clergy to staff them. With the small number of seminarians we have as well as the aging of the present clergy, there will be major changes in the years to come.

Also taking effect this coming year will be the new Catholic elementary system for Erie. That new system will finally take the schools out of the hands of pastors, who are generally not educators, and place control of them in the hands of professional educators. With the closing of Villa Maria Elementary at the end of the current school year, we will now have six Catholic elementary school locations: Our Lady of Peace, St. George's, St. James, Our Lady's Christian, Blessed Sacrament and St. Luke's. It's just a shame we didn't do this 25 years ago.

Tom finally decided to tie the knot with his long-time girlfriend. One evening, after the honeymoon, he was cleaning one of his hot rods for an upcoming show. His wife was watching and said, "Honey, I've been thinking, now that we're married maybe it's time you quit spending all of your time out here in the garage and you should probably just consider selling all your cars along with your gun collection." Tom gets a horrified look on his face and his wife asks, "Darling, what's wrong?" "For a minute you were starting to sound like my ex-wife." "Ex-wife," she screams, "you never told me you were married before." "I wasn't," said Tom.

### **October is Polish Heritage Month**

*The story of General Jozef Haller and the Polish army in France has long gone untold. The Army, also known as Haller's Army and the Blue Army, fought under French Command in World War I, as well as in the Polish-Soviet War of 1918-1921. Many of the member of Haller's Army were Polish American who answered the call of prestigious recruiters, such as Ignacy Paderewski, Polish Statesman and renowned musician. Paderewski was instrumental in getting President Woodrow Wilson's approval to recruit a Polish army on American soil. Wilson, however, would not allow such an army to be formed or trained within the US, so recruits mustered in Canada.*

### **A Family Perspective—**

Jesus is saying to you what he said to Zacchaues, "I must stay at your house today." It doesn't matter if in today's gospel Jesus "intended to pass through Jericho to another town." In families we sometimes stop at the wrong places. It is wisdom to "pass through" annoying family situations so we can enjoy the goodness of each other.

# We Remember Them

In the rising of the sun and in its going down, we remember them.

In the blowing of the wind and in the chill of the winter, we remember them.

In the opening of the buds and in the rebirth of spring, we remember them.

In the blueness of the sky and in the warmth of summer, we remember them.

In the rustling of the leaves and in the beauty of autumn, we remember them.

In the beginning of the year and when it ends, we remember them.

When we are weary and in need of strength, we remember them.

When we are lost and sick at heart, we remember them.

When we have joys we yearn to share, we remember them.

So long as we live, they, too shall live,  
for they are now a part of them, as we remember them.

## HOMELESS OVERFLOW SHELTER - COLLECTION OF DONATIONS:

St. Patrick's Parish will be hosting the homeless overflow shelter on February 1 - 7 at the Russian Church of the Nativity Social Center at Front & German Streets. The outpouring of generosity the past couple years has been amazing. This year, in addition to collecting personal hygiene toiletry items (shampoo, bath products, toothpaste, toothbrushes, deodorant, razors, shaving cream, combs, brushes, feminine hygiene products & hand sanitizers), we are also seeking cough drops, lip balm and hand warmers.

**PLEASE NOTE THAT THESE ARE THE ONLY ITEMS WE CAN ACCEPT.** Collection bins will be located in the church's main entrance at each mass beginning in November. We greatly appreciate your donations.

October 18, 2016

Dear Brothers and Sisters in Christ,

In recent weeks Hurricane Matthew and other storms have devastated significant portions of the southeastern United States and the Caribbean, especially Haiti. While many have begun to assist, we realize that the road to restoration will be long, and additional support will be needed.

To help with this process of recovery, the U.S. Conference of Catholic Bishops has called for a special collection, which will be taken up in our parishes on the weekend of November 5-6. These funds will be used to support the efforts of Catholic Relief Services and Catholic Charities USA, as they reach out to provide humanitarian aid; help in restoring communities that have suffered widespread destruction; and assist in the repair and reconstruction of Catholic churches and institutions.

As always, I am grateful for the generosity shown by the people of the Diocese of Erie. You and your families remain in my prayer.

Sincerely yours in Christ,

*+ Lawrence T. Persico*
